Mostly Dietetics and Food Management Majors, but any major is welcome! You can add me on facebook: **Tess Alexandra** I will put you in the facebook group. You can bring 15$ our next meeting, on October 9th. This covers the entire year.
Membership Benefits:

● Volunteer opportunities
  ○ MWFB, Fresh FAVs, Sports Nutrition, Nutrition Mission, etc.
    ■ Remember: DICAS requires 100 hrs. of volunteering

● Social opportunities
  ○ Exercise classes, study groups, social interaction at meetings, movie nights, etc.

● Professional opportunities
  ○ Professional development dinner, guest speakers during and outside of the meetings, etc.
Mentor Program

Older, experienced members of our majors are matched with younger students or transfer students to mentor them, help answer any questions, and to form a relationship with.
We Promote:

- Joining as many RSO’s related to Food & Nutrition as possible
  - Diabetes Club, Sports Nutrition, Chemistry Club, Food Recovery Network, etc.
- Work in food service
- Attend events with professionals to network
  - Connections are everything
- Friendly Competition
  - Running for executive positions
Questions?

Once again you can add me on facebook and I will add you into the group:
